Service Animal Trainers and Training Programs

Delta Society encourages consumers to find the best product or service by contacting and comparing several organizations. Note that there is variation in:

- products and services available
- qualification criteria for dogs and handlers
- acquisition costs
- policies regarding geographical placement of animals

Please read the service animal related pages on Delta Society's web site, <http://www.DeltaSociety.org>, and other sources for more detailed guidance about selecting the source that is right for you. In particular, we recommend that you read Information for People Considering a Service Dog.
