

INTERNATIONAL DIRECTORY
Service Animal Trainers and Training Programs

Delta Society encourages consumers to find the best product or service by contacting and comparing several organizations. Note that there is variation in:

- products and services available
- qualification criteria for dogs and handlers
- acquisition costs
- policies regarding geographical placement of animals

Please read the service animal related pages on Delta Society's web site, <http://www.DeltaSociety.org>, and other sources for more detailed guidance about selecting the source that is right for you. In particular, we recommend that you read Information for People Considering a Service Dog.

Disclaimer

Inclusion on this web site does not constitute endorsement by Delta Society, nor does omission imply disapproval.

The purpose of this web site is to inform members and friends of Delta Society about certain resources that may be available. There may be other programs available in your area that is not listed here. Because Delta Society has no control over the services provided and no mechanism for judging or verifying the competence of the individuals or organizations listed herein (the "listed entities"), no attempt has been made to evaluate the listed entities or exclude unsuitable entities from this web site. The listing of any entity herein does not constitute an endorsement or recommendation by Delta Society and Delta Society hereby disclaims all responsibility and liability with respect to the performance or nonperformance of any services by any listed entity. Every effort made to ensure that the information herein was accurate at the time of posting; Delta assumes no responsibility for any changes made by individual businesses.
